

## Authentic Living

Authenticity of materials throughout the house is a big part of what gives this 3,150-square-foot, two-story residence its easy livability. General contractor and owner of Truckee-based NSM Construction, Neave tasked his subcontractors and craftsmen to maintain a sense of legitimacy in each detail and finish application. ## SUBSCRIBE TO TAHOE QUARTERLY

Tahoe Quarterly magazine captures the full range of culture and lifestyle in and around the Lake Tahoe Basin.

## Combating Tahoe's Housing Crises

The question "Is there a housing crisis?" elicits a hearty eye roll and a "Duh" from any local who has attempted to find rental housing in the Tahoe region. Even if you are snug in your own Tahoe home, the crisis is obvious. [READ MORE »](#)
